*Monthly tuition plans will accrue an additional one time service fee of \$45 to FACTS Tuition Management's Automatic Draft Program. Payments are drafted on the 5th of each month, August-May. Annual tuition payments are due by August 1st.

**Tuition Refund Insurance is required for all monthly tuition plans and is optional for those paying in full.

***All Books are the property of VFCA. The curriculum fee is a usage/rental fee. At the end of the year or upon withdrawal, all non-consumable books are returned to VFCA. Damaged books must be replaced at full price and student accounts charged accordingly. Fees do not cover dual enrollment or online courses.

Fees are subject to change prior to the school year due to rising publisher costs.
